## Online BMP 301 – Conducting Storm Water Compliance Inspections (MT) Sept. 30 & Oct. 1, 2020

Online registration will open soon: [www.altitudeta.com](http://www.altitudeta.com)

The Online BMP 301 Conducting Storm Water Compliance Inspections for Construction Activities (Montana) is a two day advanced level class. The prerequisite for the program is SWPPP Administrator/Preparer or equivalent. This training course has been developed by *Altitude Training Associates, LLC* in conjunction with the Montana DEQ for inspectors working for regulatory agencies. The target audience is MS4 compliance inspectors reviewing SWPPPs and conducting on site evaluations of Best Management Practices (BMPs) used to control erosion and sedimentation during construction.

**COST: BMP 301 - \$450/person**

**The format for this class is online, instructor led.** Class times both days are 8am to 4pm. You will need a computer with camera and microphone. Please log into the class a few minutes early so we can resolve any technical issues. A meeting invitation will be sent about a week before the program to those who register. Please read the student instructions ahead of time. Please feel free to contact Scott Olson with any questions. We can also schedule a test of the platform ahead of time.
