<https://www.altitudeta.com/SignupformDewateringSept23-24-2020.htm>

**DATES: September 23 & 24, 2020**

**TIME: 1pm-5pm both days**

**COST: \$75/person**

**INSTRUCTORS:** Scott Olson, Altitude Training Associates, LLC  
Elisabeth Miller, Water Quality Control Division (WQCD)

Both classes are a half-day and will be delivered online (instructor led). These courses are for anybody involved with construction dewatering activities or construction work in or near a waterway seeking information on the permit requirements and methods to protect water quality. The online format is a virtual classroom so you will need a computer equipped with a camera and microphone. The permitting requirements will be presented by the Water Quality Control Division (WQCD).

**Please log in a few minutes early to resolve any technical issues. A meeting invitation will be sent about a week before the program. Please read the student instructions ahead of time.**

**Please feel free to contact Scott Olson with any questions.**
