

# Stormwater Training Announcement

## Online BMP 201R SWPPP Administrator/ Preparer (Recertification)

Altitude Training Associates, in sponsorship with the City of Bozeman, is holding a one-day online construction site stormwater management training for industry professionals on September 14, 2022.

**Registration is open and space is limited to 20 people!**

**Class** – BMP 201R – SWPPP Administrator/Preparer (Recertification)

**Content** – Attendees will learn how to:

- Review City of Bozeman and MDEQ regulatory requirements
- Prepare, implement, and maintain SWPPPs
- Select, install, and maintain BMPs
- Conduct and document routine inspections
- Identify key items evaluated by City of Bozeman and MDEQ inspectors
- Comply with City of Bozeman regulations
- Comply with the new 2023-2027 MDEQ General Permit for Stormwater Discharges Associated with Construction Activities
- Avoid violations and enforcement penalties

**Date/Time** – September 14, 2022, 8am - 5pm

**Cost** – \$200, includes educational materials and Certificate of Completion

**Location** – Online. Zoom link provided after registration.

**Register** – Contact Scott Olson; [scott@altitudeta.com](mailto:scott@altitudeta.com) or [www.altitudeta.com](http://www.altitudeta.com)

**Prerequisite** – BMP 201 or approved equal
