

# ANNOUNCEMENT

**Hybrid BMP 201 – MT SWPPP**

**Administrator/Preparer  
Certification Program**

**October 18 & 19, 2022**

On line registration open now: [www.altitudeta.com](http://www.altitudeta.com)

The BMP 201 (Montana) is the **SWPPP Administrator/Preparer Certification** program. This class meets the educational requirements of the Montana Construction General Permit and has been authorized by the DEQ. The certification is valid for 3 years. NOTE: there are multiple formats for this class. **This offering is the hybrid format meaning the first day (10/18/22) is conducted online and day 2 (10/19/22) is conducted in person. The online portion is done using the Zoom platform. The in person class will be held in Billings.**

**COST: Hybrid BMP 201 - \$500/person. BMP 101 or equivalent is a prerequisite. Contact Scott with questions.**

The class will run from 8am to approximately 4pm both days. For the online portion, you will need a computer with camera and microphone. Be prepared to have a hard hat, high visibility vest and proper foot wear for the day 2 in person field trip to a construction site.
