

ANNOUNCEMENT

Hybrid BMP 201 – MT SWPPP

**Administrator/Preparer
Certification Program**

March 14 & 15, 2023

On line registration open now: www.altitudeta.com

The BMP 201 (Montana) is the **SWPPP Administrator/Preparer Certification** program. This class meets the educational requirements of the Montana Construction General Permit and has been authorized by the DEQ. The certification is valid for 3 years. NOTE: there are multiple formats for this class. **This offering is the hybrid format meaning the first day (3/14/23) is conducted online and day 2 (3/15/23) is conducted in person.** The online portion is done using the Zoom platform. The in person portion of the class will be held in **Billings**.

COST: Hybrid BMP 201 - \$500/person. BMP 101 or equivalent is a prerequisite. Contact Scott with questions.

The class will run from 8am to approximately 4pm both days. For the online portion, you will need a computer with camera and microphone. Be prepared to have a hard hat, high visibility vest and proper foot wear for the day 2 in person field trip to a construction site.
