Online (Zoom) BMP 201 SWPPP Administrator/Preparer Certification Program

July 14 & 15, 2026

On line registration open now: www.altitudeta.com

The BMP 201 (Montana) is the **SWPPP Administrator/Preparer Certification** program. This class meets the educational requirements of the Montana Construction General Permit and has been authorized by the DEQ. The certification is valid for 3 years. This offering is online using the Zoom platform. Invitations are sent via email 2 weeks before the class along with a link to a shared folder with the course materials. It is expected we will have the DEQ present at the class.

COST: Online BMP 201 - \$450/person

BMP 101 or equivalent is a prerequisite. If have been previously certified but expired, no prerequisite is required.

The class will run from 8am to approximately 400pm both days.
